

# Jesus Revealed: The Savior is Coming | Isaiah 62

Sermon Notes: December 20, 2020, Pastor Clive Cowell

**Today:** We shall look at the path of hope, peace, love and joy in the Book of Isaiah! Make note of some things that stir or resonate with you.

For our Scripture passage we shall look at Isaiah 62. It is wonderful that we are redeemed (Isa. 59); that there is light and radiance (Isa. 60); that there is One set apart for us (Isa. 61), yet, there is more! Isaiah 62 presents a coming Savior who calls us into an everlasting union of love! He delights in us! And, every hardship, every trauma we've been through, every name we've been called will all be turned to joy!
