

*“Why do you look for the living among the dead?  
He is not here; he has risen!” Lk 24:5,6*

## 1. **The witness of a grieving group of women.**

They had known Jesus, a miracle worker, who died on Roman cross, in Jerusalem, during Passover.

- They had seen the burial by Joseph of Arimathea.
- They brought spices for a proper burial.
- They found the stone rolled away.
- The tomb was empty.

## 2. **Angels clear up the confusion.**

- Supernaturally appear like lightning.
- Ask a profoundly logical question.
- State the truth. Jesus has risen!
- Remember Jesus' own words.

## 3. **The Disciples don't believe the nonsense.**

- They were not expecting Jesus death & resurrection.
- They were highly skeptical.
- Peter ran to check and found the grave linen.
